

Academic Plans for Students

Comprehensive Remediation

- Must be year long.
- Must be outside (in addition to) the normal school day of 6.5 hours.
- Must be taught with same rigor/standards as normal day.
- Must allot sufficient time to receive instruction in each area of academic deficiency and meet the objectives of the APS.
- Cannot take the place of other academic assistance provided through the school day.
- Cannot take the place of other academic assistance provided in a Year One APS.
- CR is a second layer for Year Two students who continue to struggle below grade level.

Appeals Policy

- All students and parents must be informed of their right to appeal summer school, probation, and retention decisions.
- The appeals process must be included in the written district academic plan policy.
- A district appeals panel that may include parties from the originating school must conduct the review of appeals.
- Decisions should only be reversed when there is clear and convincing evidence that the student has made sufficient academic progress to meet grade level standards.
- The district must distribute copies of its APS policy to all parents at the beginning of the school year.
